

How to Search for Childhood Immunisation Records

For a record of all childhood immunisations given after 1996 and up until the child is of age seven, contact the Australian Childhood Immunisation Register (ACIR) by visiting - <https://my.gov.au/LoginServices/main/login?execution=e1s1> and registering to receive your information or call **1800 653 809**.

Alternatively, you can contact:

- **the Council that administered the vaccinations, or**
- **the clinic/doctors surgery that administered the vaccinations**

School-based immunisation records are held by each Council. Contact the local Council in the area which the school(s) your child attends or attended resides within, to find out how to request a copy of the records held by the Council.

The City of Launceston has an online form that can be completed to request records of immunisation. The information on this form will be used to generate and forward a copy to you within 3-5 working days, of any immunisation records that Council holds.

The City of Launceston holds records of immunisation for the following schools:
