COMMUNITY RECOGNITION AWARDS

Guidelines and Criteria for Community Recognition Awards

The following guidelines and criteria are used when considering the Citizen Award, Young Citizen Award, Sports Award and Community Event of the Year Award nominations.

The Community Recognition Awards aim to recognise Australian citizens who have made a significant contribution to the Launceston municipal area through volunteer work and/or paid employment (in which case the contribution is significantly beyond what is normally expected without recompense or reward).

Guidelines

1. Citizen and Young Citizen of the Year Awards

- The award should be given to a person who has made a significant contribution in the Launceston area.
- The nominee must reside in the Launceston municipal area and be an Australian citizen.
- A person can only receive one Citizen/Young Citizen Award during his/her lifetime.
- A person must be 27 years of age or older (Citizen Award) or under 27 years of age (Young Citizen Award) on the 25th of January.

All nominations received will be assessed against the following criteria:-

- The impact of the person's contribution to either a particular field, locality, group, community or humanity at large.
- The period of time that the person has made a major commitment.
- Whether the person's contribution has been recognised elsewhere (eg in the media, by other awards, interest groups or local councils).

3. Community Event of the Year Award (including COVID-Safe events)

Consideration is given, but not limited to the following selection criteria:-

- The amount of hours spent organising and running the event;
- The number of community volunteers who assisted with organising and/or running the event;
- Number of attendees at the event;
- Where were the proceeds (if any) allocated;
