

[*HERITAGE SNAP*]

2022 JUNIOR PHOTOGRAPHY COMPETITION

HERITAGE SNAP is an exciting competition open to school aged students, and will be divided into three sections for judging: Primary School; Year 7–10; and Year 11–12 students.

WHAT'S IT ALL ABOUT?

- Raising the profile and understanding of the significance of Launceston's historic cultural heritage.
- Promoting our heritage environments and attributes in a relevant and contemporary way.
- Highlighting the depth of Launceston's built heritage by focusing on specific details and attributes often overlooked.
- Inspiring our young people to take an interest in and get involved with our built heritage.

THIS YEAR'S THEME

This year's theme is *'Young at heart'*.

Launceston has always been a city of innovation - many of the buildings we see now as old were once the 'latest thing' and show the excitement and creativity of earlier times. We would love to see your images of places in and around Launceston that you think are still vibrant, and hear how you imagine their youth.

These could be buildings or places you love or where you've had good times, and they could be whole buildings or small parts of them - whatever is of interest to you.

ENTRIES

What you need to enter:
All entries should include a photograph (high quality digital submission preferred) and a brief written description to go with the image, explaining why the place, building or object interests you and what makes it 'young at heart'.

Please ensure that all entries include your name, age and grade, an email address so we can contact you, and that they are uploaded no later than 4pm on the closing date.

This year entry is via the City of Launceston webpage where entries must be uploaded using the online form at www.launceston.tas.gov.au/heritage-snap
