Youngtown ABCDE Learning Site **Save the Dates**

The City of Launceston is in Youngtown working with the community focusing on what's strong. The Youngtown Asset Based Community Driven Effort (ABCDE) Learning Site is for anyone to be involved in and we want to meet you!

Here are some key dates to put in your diary to join others in free and fun events in Youngtown.

Youngtown Builder Time

Builder Times are a great way to get together, meet new people, chat about the Youngtown community and collaborate on projects. Enjoy a casual get together with refreshments and snacks provided. Everyone is invited!

Wednesdays 3.30pm - 5pm

Youngtown Memorial Park, 19 Highgate Street Youngtown, South Launceston Football Club Room

- 16 September 2020
- 18 November 2020
- 16 December 2020 (end of year celebration)
- 17 February 2021
- 14 April 2021
- 16 June 2021

Please RSVP one week prior to each event to Sarah McCormack, Community Connector, City of Launceston, Sarah.McCormack@launceston.tas.gov.au or 0428 109 948.

Youngtown Community Workshop with Peter Kenyon

Do you enjoy living, working, going to school and spending time in Youngtown and want to discover more about the community? You are invited to a free and fun Youngtown Learning Site workshop to build local connections and create positive change with a focus on what's strong, not what's wrong. Led by Peter Kenyon Founder and Director of Bank of I.D.E.A.S. We want to hear your thoughts and ideas about Youngtown.

Thursday 15 October 2020

Youngtown Memorial Park, 19 Highgate Street Youngtown, South Launceston Football Club Room 10am - 3.30pm (free workshop with refreshments and lunch included)

Please RSVP by Thursday 8 October 2020 to Sarah McCormack, Community Connector, City of Launceston, Sarah.McCormack@launceston.tas.gov.au or 0428 109 948.

To say hello, get involved in the Youngtown Learning Site and keep connected by joining the Youngtown Community Group Private Facebook Group, chat to Sarah and visit www.launceston.tas.gov.au/Community/ABCDE-Learning-Sites

COVID-19 restrictions and safety precautions in place.
