

**City of Launceston
Event Sponsorship
2019 Overview**

Events deliver a range of positive benefits to the City of Launceston. By encouraging audience participation and creativity, events foster pride and positivity in our city. They can also deliver economic and tourism benefits, building our profile and reputation as a great place to live, visit and invest.

The City of Launceston recognises the benefits events provide to our city and offers funding support through the Event Sponsorship Program.

The Event Sponsorship Program aligns with the City of Launceston Events Strategy 2016–2019, and provides the framework to guide funding support to events delivering community, social, cultural, tourism and economic benefits to the Launceston community.
