

Residential parking permit application

This form applies to residents living in Residential parking permit areas as indicated on this form and defined with on street signs. Residents may apply for a residential parking permit for their private use (non-commercial) vehicles. Residents may apply for:

- A maximum of two (2) permits if there is **no off-street parking** available at their residence.
- A maximum of one (1) permit if there is only one (1) **off-street parking space** available at their residence.
- Area N-maximum of one (1) permit if there is one or more off-street parking spaces, within the Aquatic residential parking area.

Please attach a copy of the vehicle registration papers which show the residential address to match the one on your application. This information is required even if you are renewing an existing permit. Please also attach separate proof of your residential address. We can accept a copy of your driver's license or a lease agreement in your name if you are renting the property.

Please note: Rates notices and Taswater accounts are not proof that you are a resident at the address.

The permit only applies to the defined area and should be displayed on the dashboard so that it is clearly visible through the front windscreen when parked in the defined area.

Residential parking permits are valid for 12 months. A new application is required each year.
