7.1.1 Public Questions on Notice - Mr Ross Anthony - 21 August 2017

FILE NO: SF6381

AUTHOR: Tegan Murray (Committee Clerk)

GENERAL MANAGER: Michael Tidey (Acting General Manager)

QUESTION and RESPONSE:

The following question was submitted to Council on 21 August 2017 by Mr Ross Anthony and has been answered by Mr Shane Eberhardt (Director Infrastructure Services)

Question (typed as received):

1. When is the kerb and gutter going to be done for Waverley Road from number 25 to the junction at Ravenswood Road? It has water ponding for the winter and spring months and a collector for dumping take away wrappers and cans etc.

Response:

Council is investigating the need for maintenance of the drain along the north side to prevent any inappropriate ponding or untidy appearance.

Although the road does have a small section of kerb and footpath at the eastern end, constructed as part of new subdivision and housing, there is no plan for Council to construct kerb and channel along the broader length of the road. Waverley Road is a no through road with good width and drainage provision appropriate for the rural living / light industry land use of the area.

Alderman R J Sands attended the Meeting at 1.01pm.
7.2 Public Questions without Notice

*Local Government (Meeting Procedures) Regulations 2015 - Regulation 31(2)(b)*

(Members of the public who ask Questions without Notice at a meeting will have both the question and any answer provided recorded in the Minutes. Council Officers will endeavour to answer the question asked at the meeting, however, that is not always possible and more research may be required. If an answer cannot be provided at the Meeting, the question will be treated as a Question on Notice. A response will be provided at the next Council Meeting.)
7.2.1 Mr Basil Fitch - Traffic Survey Invermay/Inveresk Precinct

Is the Council aware of the traffic survey that has recently been undertaken by Rene Hidding (Minister for Infrastructure) and his department around Invermay/Inveresk Precinct and how is this survey meant to express concerns?

The Mayor, Alderman A M van Zetten advised that this is a question for Rene Hidding and not one that the Council can answer.
7.2.2 Mr Basil Fitch - UTAS Discussions

When is the Council going public with the discussions that have been undertaken in private regarding the UTAS move to Inveresk?

The Mayor, Alderman A M van Zetten advised that decisions have been made in Open Council and that the City of Launceston will continue to negotiate with UTAS as required.
Under the provisions of the Land Use Planning and Approvals Act 1993, Council acts as a Planning Authority in regard to items included in MINUTES Item 8 - Planning Authority.

11.1.1 Aldermen’s Questions on Notice - Council Meeting - 21 August 2017

FILE NO: SF2375

AUTHOR: Tegan Murray (Committee Clerk)

GENERAL MANAGER: Robert Dobrzynski (General Manager)

QUESTIONS and RESPONSES:

The following question was asked by Alderman D C Gibson at the Council Meeting on 21 August 2017 and has been answered by Mr Richard Mulvaney (Director Queen Victoria Museum and Art Gallery).

1. Can Aldermen be provided with an update in regard to the plans for the advertisement for the extension of the Theatre North lease of Princess Theatre?

Response:

Richard Mulvaney (Director Queen Victoria Museum and Art Gallery)

The lease for the Princess Theatre and Earl Arts Centre will expire on 31 December 2017. The current 10-year lease is with Theatre North, a not-for-profit community group. They have operated the theatres on successive leases since 1995.

While the Theatres are not on the public land register, the City of Launceston will advertise shortly that a new lease is sought for another 5 years with an option to renew for a further 5 years.

City of Launceston has received advice that Theatre North do wish to negotiate a new lease with Council and will be advised of the advertisement period. This does not preclude any other arts organisation from also expressing interest.
