<b>Advice</b>			
<b>General</b>			
For information on TasWater development standards, please visit <a href="http://www.taswater.com.au/Development/Development-Standards">http://www.taswater.com.au/Development/Development-Standards</a>			
For application forms please visit <a href="http://www.taswater.com.au/Development/Forms">http://www.taswater.com.au/Development/Forms</a>			
<b>Advice to the Drainage Authority</b>			
The combined system is at capacity in this area. TasWater cannot accept additional flows of stormwater into this area within the combined system over those currently discharged.			
The Drainage Authority will be required to either refuse or condition the development to ensure the current service standard of the combined system is not compromised.			
<b>Declaration</b>			
The drawings/documents and conditions stated above constitute TasWater's Submission to Planning Authority Notice.
