

Council Agenda - 22 November 2018 - Agenda Item 8.1

Attachment 5 - DSG Follow Up Informal Advice

2147 East Tamar Highway, Mount Direction

Iain, we are dealing with representor James Carroll at a Ministerial level at the moment. It is considered that signs and line marking alterations imposed as part of a change to the title holders Limited Access licences conditions will be satisfactory as it will be unrealistic to place any short sections of barrier.

The existing driveway geometry is to a heavy vehicle access standard and is suitable for campervans / caravans.

We won't be able to confirm further advice until Ministerial direction is provided.

Happy to discuss in the meantime if required.

Cheers, Garry
