Sponsorship Funding Agreement

If successful in receiving event sponsorship funding, a representative of your organisation (or if the event is auspiced, a representative of the auspicing body) will be required to sign a funding agreement that will detail sponsorship conditions.

It is the responsibility of your representative to ensure all conditions in the funding agreement are met. Any request to vary conditions must be negotiated prior to any agreement being signed. If you are unable to meet funding agreement conditions, Council reserves the right to decline future funding requests.

If your event details change or the event is cancelled, you must advise the Grants and Sponsorship Officer in writing as soon as possible. The City of Launceston reserves the right to reconsider any funding decision if variations to an event are made after your application has been assessed.

Release of Funds

Once the funding agreement has been signed by the applicant and a Council representative and any pre-conditions have been met, 80% of the funding will be able to be released. The final 20% of funding will be able to be released when the reporting requirements (explained below) have been met.

Reporting

Once your event is over, you'll need to complete an online acquittal form within 90 days. This will ask for actual event outcomes such as attendance numbers and financial details.

The City of Launceston reserves the right to request an independent audit if the financial information in your report is not sufficient. If you are unable to satisfactorily provide the reporting information required, you will be ineligible for future City of Launceston funding.

You should include City of Launceston associated costs for your event, (e.g. permits, licences) as part of the budget submitted with your application, however payment of such costs will be the responsibility of your organisation/group. No additional funding or assistance (including in-kind assistance) will be provided for your event, unless stated otherwise in additional Council policy.

Any requests for civic functions must be made in writing to the City of Launceston Civic Affairs Coordinator and may incur costs to your organisation.

Other Requirements

You must ensure you obtain all permits/licences (relevant to the particular event) within required timeframes (e.g. road closures, temporary occupancy permits, liquor licence). It is your responsibility to ensure you have fully disclosed all details of your event in order to obtain the necessary permits.

You may be required to provide a risk management plan:

In all situations where a place of assembly licence is required under the *Public Health Act 1997* your event must be smoke free. If your event is held within City of Launceston public spaces, Council policy encourages your event to be smoke free.

The City of Launceston encourages events to undertake environmentally sustainable and zero waste practices.

Please contact the City of Launceston Events Facilitation Officer who can provide guidance with what permits/licences are required for your event.
