

Transport and Road Safety Centre information

The Road Safety Centre provides a great venue where kids can ride on their bikes, scooters, skateboards or rollerblades and obey traffic lights, give way signs, stop signs, and pedestrian crossings as they make their way around the roads.

Bookings are essential and can be made six months in advance by calling the City of Launceston's Customer Service Centre on 03 6323 3000. Sessions are two hours duration and need to be paid for when you make your booking. You'll also need to place a refundable key deposit of \$50.00 (cash only) when you collect your key.

Location

47-67 Lawrence Vale Road
South Launceston

Capacity

The centre can be used by approximately 20 children at a time

Centre facilities

- Free car parking
- Fully-enclosed facility
- Sheltered picnic area with power
- Free electric push button barbecue. The barbecue automatically switches off after approximately 10 minutes of use so you will need to re-press the button during cooking
- Toilet with disabled access
- Children's shaded play area
- Traffic lights (operational - switch behind locked roller door)
- Road markings (give-way signs, stop signs, and pedestrian crossing)
- Flood lights (for evening bookings during daylight savings - switch behind locked roller door)
- Table tennis table

What do you need to bring?

- Your own bicycles, scooters, skateboards, rollerblades, etc.
- Children must provide and wear their own helmets
- Please organise your own first aid kit
- Table tennis bats and balls if you want to play table tennis

Maps - how to get there and a map of the Centre layout are on the next page.
