Steel (other than tins/cans)	T
Syringes	C
Tissues	G F
Toys (good condition)	D
Tyres	T
Waxed cardboard	G

Food and Garden Organics Collection

Register for the kerbside service.

Your household garbage bin can contain up to 50% organic material such as food scraps and garden waste.

When disposed of as food and garden organic waste (FOGO), this can be turned into useable compost which reduces pressure on landfills.

Launceston offers a voluntary FOGO kerbside collection service.

Register for the service online and at the Customer Service Centre. A one-off application fee of \$65 applies, including delivery of a 240L FOGO bin (with green lid) and a 7L kitchen caddy. There are no ongoing collection fees.

For further information:
