Enrolment Form

Swim Teachers

All of our Swim Instructors and Deck Officers are qualified and trained to teach a variety of levels and skills. All instructors hold a current CPR certificate, and trained lifeguards are on pool deck during all lessons.

Parental Supervision

It is a condition of entry that all children must be accompanied and actively supervised by a parent or guardian over the age of 16 while at the Launceston Leisure & Aquatic Centre. Children will not be accepted into lessons if a parent or guardian is absent. Children under 6 years old must have a responsible person within arm's reach at all times. If your child is under 3 years we require a parent or guardian over the age of 16 years to be in the water with them during their class. This is for your child's safety and confidence.

Students may visit anytime

We want your child to be able to practice their skills as much as possible, so all current Swim School students are welcome to visit the Centre at any time for FREE!

This free entry applies to the enrolled student only, the appropriate entry fee must be paid for siblings and friends who are not enrolled. Parents must also pay the appropriate entry fee unless your child is under the age of 6.

School Holidays

It is important for your child's learning that they consistently practice their skills, therefore lessons will continue to run during the school holidays throughout the year until classes end on Friday, 15 December, 2023.

Suspensions

Throughout the calendar year students are entitled to four lessons worth of suspensions. Suspensions can be used for holidays, sickness or for any other circumstance that may arise. We encourage you to use these suspensions if your child is sick. You will not be charged for missed lessons relating to long term medical conditions if you are able to supply us with a medical certificate. Lesson suspension requests must be made via our online form which can be found on our website:

www.launceston.tas.gov.au/lac/Swim-School/Current-Students

Cancellations

Lessons can be cancelled at any time. Swim School Direct Debit Payments are ongoing until a Cancellation form is submitted online. Our cancellation form can be found on our website here: www.launceston.tas.gov.au/lac/Swim-School/Current-Students

Feedback

In the final week of each school term, parents will have the opportunity to discuss their child's progress with teachers in the last five minutes of their lesson. Please see our friendly Deck Supervisor in the Learn to Swim Office for any enquiries regarding your child's progress.

Continuous Progression

All children learn at a different pace and it is important that children are continually challenged in their lessons. Therefore Swim School students will be assessed weekly and will be given the option to progress to the next class level. Sometimes this means changing the time, day or instructor, but this will be discussed on an individual basis. We aim to have all children in classes that suit their abilities.

Swim Shop Discount

Students enrolled in our Learn to Swim program receive a 10% discount in our Swim Shop.

Swimwear

All students are to wear appropriate swimwear. We suggest students have their own set of goggles and a swimming cap. T-shirts, wetsuits and other street wear is not permitted. We also recommend against wearing board shorts or rash vests, so your child can move freely in the water. All children that normally wear a nappy are required to wear some form of aqua nappy if swimming in a public facility (Public Health Act 1997). Please ensure that your children are suitably attired for the comfort and safety of all patrons.

For the safety and wellbeing of students and teachers it is important that students do not attend lessons if they are unwell or are suffering from any skin infections or other communicable diseases. Teachers can refuse entry to the pool if your child is sick.

Please ensure that students do not attend lessons or visit the Centre if they:
